## MELODY CHAIR®

Our new and improved Melody Chair® has been received by music programs with enthusiasm nationwide! To meet the unique demands of the musical performance environment, the chair is designed band-pitch style with a seat to back angle of 97 degrees allowing for maximum breathing capability. The frame is built with strong 7/8", 16-gauge square tubing

## MUSIC STAND

Model #82MS Music Stand is a great addition to our music chair series. The durable desk is made with strong 22 gauge steel and has rolled-steel edges to protect instruments and preserve the stand. It is coated with black textured finish that resists scratches and chipping. The stand vertically adjusts to range from 24" –46" (lip to floor), using our spring loaded adjustable tube. Reading surface desk features simple tension tilt that provides smooth adjustment and strong tension at any position.
