

The PORTABLE SEATED RISER configuration is put together using multiple stage sets and pie-shaped units.

**10 YEAR WARRANTY**

Carpeted units available in these choices

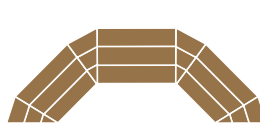

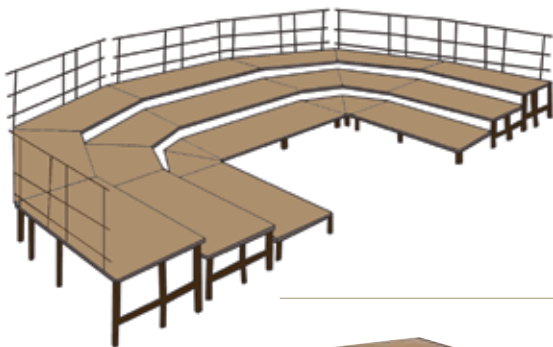

Using any of the below configurations, it is ideal for events that require choir/band participants attention guided to the center. It is also great for maintaining an organized appearance at performances and to help facilitate instruction during practice. Guardrails are included for safety.

**CONFIGURATIONS**

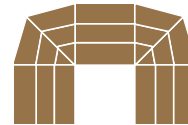

BAND-RISER	Weight	Class
SBRC48C	2350	70
SBRC48HB	2400	70
