

The Trans-Port is a unitized three-level carpeted CHORAL RISER that conveniently allows set-up in seconds!!!

5 YEAR WARRANTY

Our Trans-port unit eliminates the need to set-up multi level risers. The Trans-port is a unitized three-level carpeted choral riser that conveniently allows set-up in seconds.

- Unit is outfitted with built-in wheels making it easy to transport from room to room and load into a vehicle.
- Built with 14 gauge legs our unit is strong, safe and durable.
- The Trans-port is built with aluminum frames making it much lighter than a steel frame unit but is just as strong.
- Multiple units can be connected, using our straight or tapered units, to create a variety of configurations.
- Comes in Grey frame and Grey carpet surface.

Folds up into a compact package that is easily transported via rolling casters
